

BA (Hons) in Theology, Ministry and Mission

1. This programme is available at Emmanuel Theological College in full-time or part-time modes of study over three or six years.
2. Modules in this programme utilise a range of assessment types, and methods of delivery:
 - (A) *In-person learning sessions*: Modules delivered to full-time cohorts are usually delivered in-person.
 - (B) *'Blended' learning sessions*: Teaching to dispersed part-time cohorts utilises shared 'blended' classrooms. A tutor will lead a learning session live from a teaching centre to one part-time cohort situated at two locations. Half of the class is based in the room with the tutor, the other half is based at another teaching centre participating via video link with a 'host' in the room to facilitate. The host's role is to maximise potential for student engagement and participation within the learning session. The tutor will divide contact hours evenly between the two teaching locations during the module to ensure parity of experience for all.
 - (C) *Online learning sessions*: Some modules are taught entirely online to small, dispersed cohorts of part-time students on specific streams of study, e.g. students pursuing part-time L6 'top-ups' from a DipHE award to a BA.

Full details relating to assessment and delivery can be found on Emmanuel Theological College's Module Overview Table.

3. Modules marked with an asterisk (*) are open to students from other TEIs within the Common Awards framework under certain conditions.
