NEW SURVEYS for European food research

Participants Wanted!

Are you a young person
studying or working in Europe?

Are you interested in sharing
your perspectives on food and
the future?

Then RELISH wants to hear
from you!

Scan code for
survey links!

Funded by
the European Union

RELISH is a food research project, funded by the EU.

Our team represents 12 universities and research centres across Europe and Canada.

We created **3 surveys** that will help us better understand young people's food perceptions and challenges in Europe:

- **Food & Culture Questionnaire**
- **Futures Survey**
- **Food Visions / Images (about the Future)**

Check out the survey pages for more info, or our website to learn more about RELISH!

**Funded by
the European Union**
