

Erasmus Student Network
Durham

@ESN_DURHAM

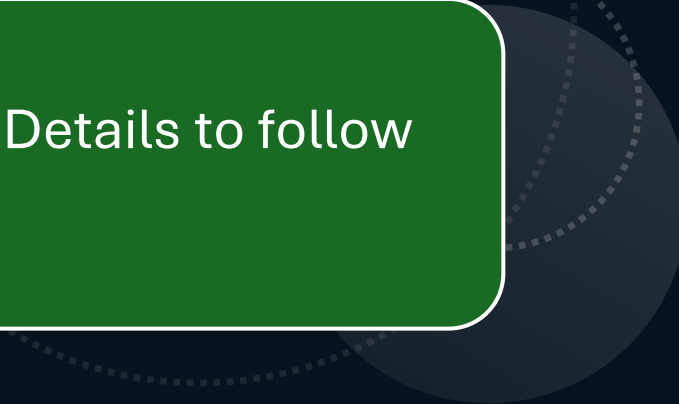

What is the Erasmus Student Network?

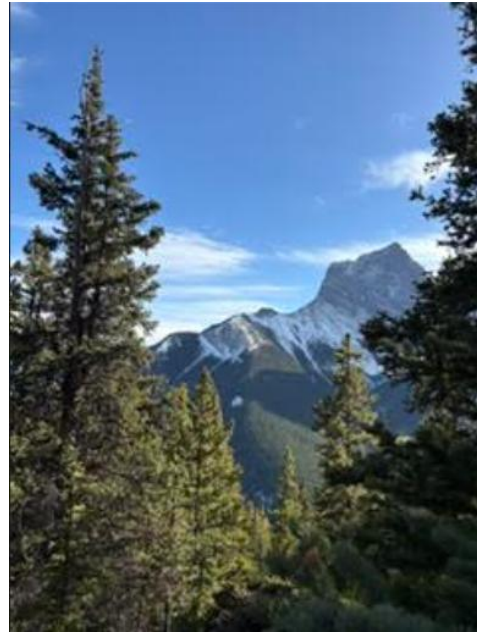

ESN is Europe's largest interdisciplinary student organisation, making it a great way to meet new people, make friends and connect with other students whilst studying abroad.

ESN Durham welcomes incoming exchange students, international students and anyone who is curious about studying abroad! Our ESN cards also have lots of great benefits like travel and accommodation discounts.

Come along to our next social! Details to follow on our Instagram.

Study abroad experience:
University of Calgary, Alberta

Study abroad experience:
Korea University, Seoul
